

The **Sunbury** fabric awning creates year-round shelter and beauty for the doors and windows of your home or business. The **Sunbury Awning** features a unique frame system which provides continuous concealed attachment of the fabric to the frame. Fabric Awnings have a natural inviting warmth which few other building materials can achieve. **Proline Fabric Awnings** are custom made to conform to most any building and feature rigid welded structural metal frames with architectural fabrics specifically designed for exterior use.
